PUBLISHED ANNUALLY BY
THE SENIORS OF EMMETT HIGH SCHOOL
EMMETT, IDAHO

VOLUME EIGHTEEN

Printed and Bound by
THE CAXTON PRINTERS, LTD.
Caldwell, Idaho

The 1951-52 school year has brought each Emmett High School student a new set of memories to be treasured, new friends to be remembered, and new dreams to be realized.

Recorded in this SQUAW BUTTE SAGA are the friends and the events which combined to make your memories. Your dreams, with a few exceptions, we could not picture.

We cannot give you your dreams but because we believe all progress and advancement came about because someone dreams of a better way of life, it is our wish that, in some small way, this volume will inspire you to greater efforts toward the realization of your dreams.

Administrators Point to Practical Visions

An important need in education today is the teaching of Americans to understand countries and peoples, their problems, their viewpoints, and aspirations. Serious gaps have been revealed with respect to Russia, the Far East, and South America. These areas of understanding are especially important in that they have a contribution to make to the solution of our outstanding problem, an enduring peace.

Should dreams become realities what more could we ask for?

KENNETH CARBERRY

As we dream of the future, let us not be lost in idle revery, but let us catch a vision of the opportunity which is ours to enrich not only our own lives but also the lives of others by fully living up to our responsibilities as citizens of our own democratic nation and as citizens of the world. Then may we ever be alert, striving toward a realization of this vision.

DONOVAN DOUGLAS

Thank You

That all members of Emmett High School administration have dreamed their dreams is evidenced by the goals they have inspired us to set for ourselves. On behalf of the student body, especially the senior class, we say "Thanks a million" for all you've done for us.

CLASSES

CAROL HANKINS
Valedictorian

Some dreams come true through hard work. If you don't think so, ask our valedictorian, Carol Hankins. During her four years in Emmett High School she has been active in music, the library, FHA, and the National Honor Society.

PATRICIA ROGERS
Salutatorian

Another busy girl whose dream came true is our salutatorian, Patricia Rogers. Even though she has worked in music, FHA, Latin Club and the National Honor Society she too has had time to keep her grades high.

Senior History

I had a dream last night—
I thought my school days were gone;
I woke up this morning—
They really were long gone.

Oh, hi there! Didn't see you. A dream? Sure I had a dream. I said I did, didn't I. Sort of a funny dream, too—all about high school days. You know, when I was an underclassman.

Boy, I'll never forget the year we were freshmen. There was one of the finest freshmen classes that ever trod the boards of good old E.H.S.—the "biggest little class" in school.

Our officers were Ken Goodwin, Arley Hanna, and Mike Collier; our adviser, Miss Leona Bales.

And then we began to grow up, and became sophomores. We won the Frosh-Soph rally and began to show up here and there. We began to look more like the Class of '52 and less like a bunch of little kids.

Our officers were Bob Speros, LeRoy Parks, Ed Lopshire, and adviser Mrs. Delia Swan.

But as juniors we really did shine. We dominated athletic teams and most organizations, as well as Mr. Douglas' office. We had a successful play, and the biggest prom you ever saw.

Our officers were George Yost, Janet Campbell, Art Myers, and Ed Lopshire.

It all comes back to me now—the fun, the heartaches, the trials and tribulations of our senior year! Trying to appear unconcerned, we ordered announcements, flunked math, and all the other things that seniors do.

It was a wonderful and fearful year, but I know none of us would trade the memory of it for anything, not even a good report card.

Yes, a year of alternate failure and success, intermingled with thoughts of the draft and, in some cases, settling down. Through it all we were guided by our able officers, Art Myers, Wenona Vickery, and Jack Blalock. A most successful and gratifying high school career has been ours.

We juniors have lost no time in day dreaming this year. We won a large share of the letters in sports; we've been represented in forensic and dramatic events. Our class play, "Peaceful Inn," was outstanding and different as well as a huge success and our Prom was a dream—really. We've gotten our share of colored admit slips and in general kept the place from getting too dull.

Now we're getting a little impatient—we're anxious to try our hand at being seniors. We'll see you in the fall.

This big wide, wonderful world—and the history thereof—has been a bit rough on the class of '54 this year. Never will they forget the world history contracts and those papers of thousands and thousands of words.

The square of the hypotenuse and square root caused just as much trouble in geometry. English, of course, has been fun for everyone, especially Mr. Brown.

There's a ray of hope—the end is almost here. And they're prepared for anything next year.

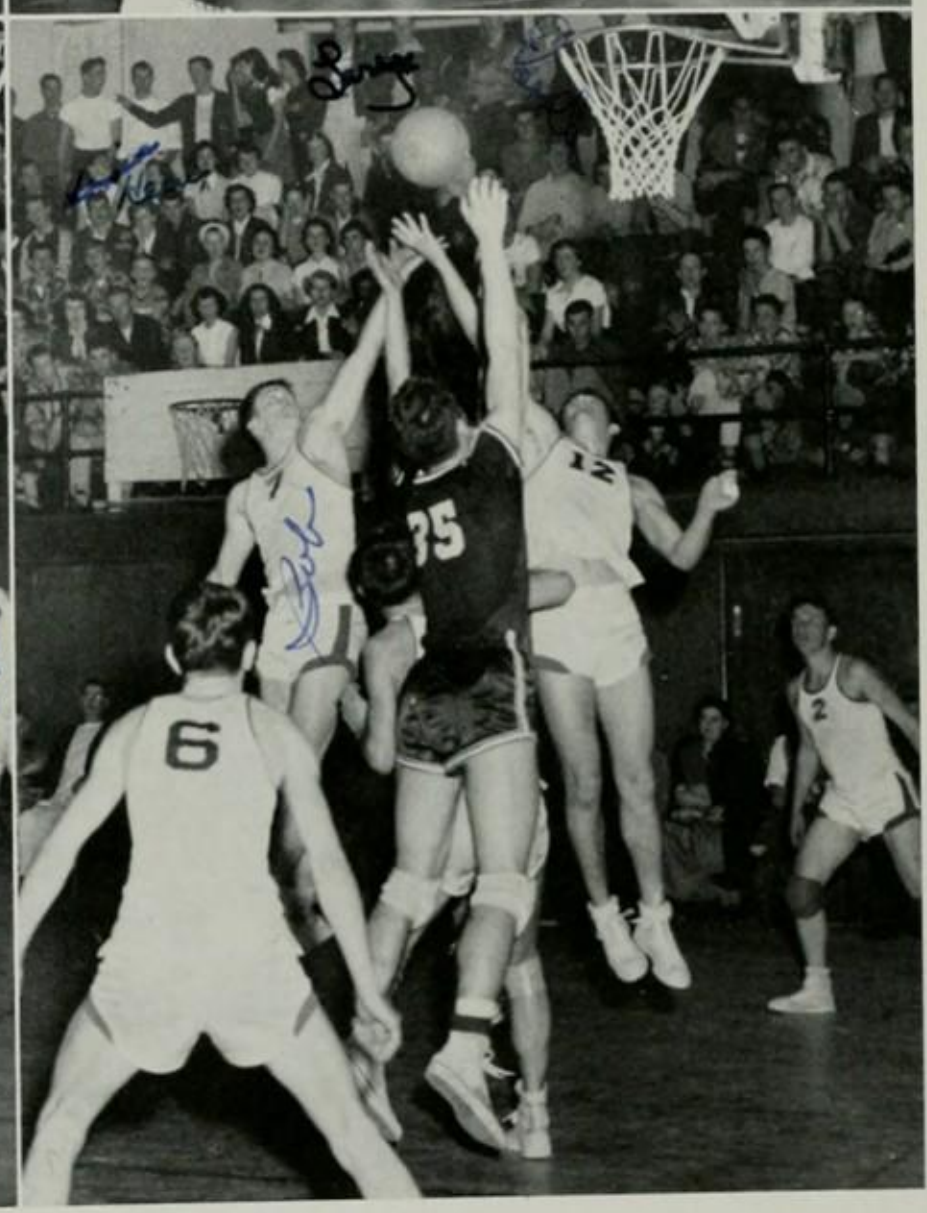
Action!



The two top pictures were taken at the Ontario game on the Emmett floor. The Huskies won 52 to 44.

The two lower pictures are of the Weiser game in Emmett. A lucky shot by Ed Ritter a split second before the final gun tied up the game. Emmett won in an overtime period. These two pictures were taken for us by Walter E. Cole of Boise, a representative of the Northern School Supply Company.

MIKE COLLIER

Mike was elected captain by his teammates at the end of the 1951-52 season.

Basketball

Emmett's Huskies, coached by Ellis "Bob" Pritchett came through with a fair season in Snake River Valley basketball conference play. The conference saw many upsets. The Huskies can testify to this as they lost three of their first four games by five points or less.

As the season progressed the Emmett lads started taking their share of the close ones. They won four of their last seven conference games leaving the record five wins and seven losses.

Outside the conference the Huskies gave some of the Big Six boys a bad minute or two when they dropped close games to Caldwell and Nampa. They lost by big margins two games to Boise. They took two thrillers from Kuna, a Class B school.

In their first game of the district tournament the Huskies, led by Captain Mike Collier, turned in a fine performance defeating the Weiser Wolverines in an overtime period. They were eliminated by successive defeats by Boise and Caldwell.

Basketball

Double Victory

With the permission of the *Emmett Messenger* we are quoting here part of an editorial in their March 6 edition, just after the district tournament.

"It is nice to win. It was wonderful to win. Sports teach us to strive to our utmost to win—but not at any price. Victory must be clothed with sportsmanship and fairness.

"An outstanding attribute of the Emmett team throughout the season's play has been its steadfast concern for playing the game cleanly. This characteristic served the boys well Tuesday night.

"When the Huskies lose after playing their best, they lose gracefully. This is victory. When they win, they win cleanly. That is double victory. Coach 'Bob' Pritchett and the individual players deserve a lot of credit for their sportsmanship."

Junior Varsity Clubs

The Huskie junior varsity football squad, coached by Bob Pritchett, worked hard in learning the fundamentals of football. This experience should be very valuable in forming varsity teams in the immediate future.

Tony Ashenbrener's junior varsity basketball squad came out on top of the S.R.V. Conference with a record of ten wins against two defeats. In games outside the conference the boys won three and dropped five to wind up with a season's record of thirteen wins and seven losses.

"E" Club

You might not believe it when you look at the husky group of "E" Club members and their adviser, Tony Ashenbrener, pictured below but they are Emmett High's real dreamers of dreams. Last fall they began dreaming of new members and their initiation. In the winter their dreams got better and they even smiled in their sleep in sixth period study hall as they dreamed of money making—"E" Club queens—and club dances.

Spring found them still dreaming but with plans for a carnival added to the visions which floated before their eyes.

When this annual went to press they were still " . . . dreaming dreams no mortal ever dreamed before. . . . "

But it should be recorded here that when they make their dreams come true the "E" Club will no doubt have a list of completed projects of which the organization and the school will be proud. That's their reputation and they won't let us down.

G. A. A.

"Because of You" was the theme for the Spinster Skip November 16 and Joan Dunn, vice-president, crowned the popular quarterback, Ed Lopshire, King and made his dream a reality. They're shown in the top left picture.

In the upper right picture Bill Holmes and Jack Blalock adjust Ed's crown while Beverly Bingham looks on.

In the lower picture is the front row of the Grand March at the Skip. They are Bonnie Cherry, Bob Schoenwald, Sharon Schiller, Don Eaton, Kay Callender, Jim Noland, Joan Dunn, Ed Lopshire.

Girls' Athletic Association

In spite of an occasional nightmare the Girls' Athletic Association had a very profitable year. Twenty-two new members brought the membership up to fifty-two and with fifty-two girls majoring in four different sports, basketball, volleyball, softball and speedball, the sports managers were busy keeping things running smoothly.

Girls wearing their letters this year are Joan Dunn, Noreen Mortensen, Doris Woodward, Lillian Kiuchi, Rosemarie McRae, Alice Pederson, Sharon Harwell, Gail Robbins.

Miss Ruth Buettner, a graduate of the University of Colorado and physical education instructor in Emmett High has advised the G.A.A. this year. She arranged for the faculty-G.A.A. basketball game, aided at the Skip, taught the girls better sportsmanship and to be skilled players in each sport.

Debate

The favorite dream of all Emmett High students interested in debate is a place in the curriculum, or school day when they may meet, study, and debate. As it is they get together with their sponsor, Warren Harris, when and if a time is available outside the school day.

The question this year is—Resolved: That all American citizens shall be subject to conscription for essential service in time of war.

Only four of the people in the picture really debated. They are Gary Wilhelm, Charles Hower, Sharon Harwell and Alice Pederson.

Declamation

Declamation students and their adviser, Miss Lucile Parsons, are always busy. They put on the annual Armistice Day assembly program, entertained at the Veterans' hospital with a play, staged two one-act plays at an evening program, and had a variety of material ready for use when called on for entertainment by different civic groups.

Janeen Jacobs won the annual American Legion oratorical contest in March. Arthur Royce was second and Keith Tilley, third. They had entries in the Kiwanis Conservation essay contest. They entertained several schools here at a practice declamation meet and attended the district meet in Wilder. Those who were eligible entered the regional meet in Rupert.

1952 Squaw Butte Saga

The annual staff has had more than one nightmare trying to get out a dream book for you. Delsie Rice was editor; Helen Howard, typist; Bill Johnson and Ed Lopshire sold ads and wrote the sports copy. The many odd jobs were taken care of by Gail Robbins, Joan Guy and Dick Boynton. Miss Edith Peterson, adviser, said she had no dreams at all because she had no sleep. Our photographers, Vernon Kilburn, Gary Wilhelm and Chuck Hower were most accommodating. They came to school at eight o'clock in the morning and nine at night to take pictures. They faithfully counted to three and took off the lens cover and pulled the slide most of the time. The entire staff thanks you students for your cooperation and hopes you like the book.

The Thespians

The local Thespian Chapter started the year under the direction of Darlene Baldwin, president; Robert Peterson, vice-president; and Sharon Nichols, treasurer. Fifteen members had returned from last year and by spring, this number had been increased to twenty-nine. Out of this group, fourteen have earned membership in the National Thespian Organization. Early in the fall, the group presented the hilarious comedy "The Little Dog Laughed," directed by Kenneth Brown, group sponsor. The annual Thespian dance, held in the early part of February, had as its theme "Dancing in the Dark." Kathryn Welberg and Jack Blalock were chosen King and Queen of the dance.

Future Homemakers of America

Sixty Emmett High girls belong to the local chapter of Future Homemakers of America. Most of them have taken or are taking classes in homemaking. They were sponsored the first semester by Miss Thelma Benson and the second semester by Miss Betty Hooper.

Among their group activities were a Parent and Daughter banquet, a get-acquainted party, and a box social which they held in cooperation with the Future Farmers. At Christmas time the girls made popcorn balls which they sent to the Children's Home in Boise.

The lower picture was taken at the style show last spring. Beverly Johnston is modeling her dress. Guests were Gem County eighth grade girls, their mothers, and mothers of chapter members.

The top picture shows about half the members of the club.

The local F.H.A. organization has been fortunate to have Mrs. Violet Dewey for Chapter Mother and Melvin Vickery for Chapter Father. Both "Mom" and "Dad" opened their homes to the girls and gave generously of their time in helping them with their projects.

Miss Thelma Benson, F.H.A. adviser for two and a half years, was married at the end of the first semester. The girls gave a party in her honor. Miss Betty Hooper ably took over Miss Benson's duties in the home making department and as adviser to the F.H.A. organization.

Future Farmers of America

Emmett Chapter of Future Farmers of America entered many contests and won many awards during this 1951-52 school year. A team made up of Eugene Johnson, Jay Garrett and Joe Marsters placed first at the Capital Livestock Show in Boise last fall. Another team placed second in the Parliamentary Procedure and Co-operative contests. Arthur Royce placed second in the District Public Speaking examination.

The annual Parent and Son Banquet held March 11 was another success. Guest speaker was Clarence Beckman, agriculture instructor at Castleford, Idaho. Arthur Royce was banquet chairman and Mr. Moore, adviser, acted as general supervisor.

Between sixty-five and seventy students taking vocational agriculture belong to the F.F.A. They start as Greenhands, then earn Chapter Farmer, State Farmer and American Farmer degrees. Applicants for State Farmer degrees this year were Ernest Beckman, Dan Mabe, Dean Mabe and Arthur Royce. Richard Jensen, a 1951 graduate, applied for the American Farmer degree.

Dean Mabe, Darrell Thornock, Ernest Beckman, and Dan Mabe accompanied by Grant Mauchley, former adviser, attended the State Judging contest in Moscow last June. The team entered beef, dairy, dairy products and sheep judging contests.

Jay Garrett represented the chapter at the Ogden Livestock Show last fall. The beef steer Jay entered placed Grand Champion in the F.F.A. division and third in open division. Jay took first in F.F.A. fitting and showing.

Band

History repeats itself with the Emmett High School band. Again it has made a good record in competition with other groups; and it has broken the monotony of school routine with the blare of trumpets and the roll of drums. The marching band had a dream-come-true trip to Moscow to play for the homecoming game. Nampa and Caldwell bands combined with Emmett to make a 250-piece group which played a concert last fall. It is pictured on page 76.

It's hats off and thank you to Director Ferd Haruda and all band members.

Choral Music

Those of us who like to sing take Choir or Glee Club and this year those two groups have been the largest in Emmett High history. Directed by Miss Greeta Knight they've done outstanding work. They've enjoyed themselves and we've enjoyed them.

Choral Music

Several small groups of Emmett High singers have brought us special numbers and have been popular as guest performers at club meetings down town.

Perhaps most outstanding of these groups are the Madrigal Singers, the only high school Madrigal group in the state. They received much praise for their work at the meeting of Idaho Music Educators in Boise this spring.

The Girls' Trio sang for the Boise Kiwanians as well as for many local groups as did the Boys' Quartet.

In the top left picture are the Madrigal singers—Winston Jensen, Wendell Rindlisbach, Julia Willingham, Vera Larsen, Beverly Bingham, Juanita Johnston, Helen Burdell, Delna Tolman, Larry Ragains, Roy Bowman.

Orchestra

To describe our orchestra we would change an old poem and say—they—not we—are the music makers—they are the dreamers of dreams.

Nothing takes more work, more inspiration or more devotion than the building of an orchestra. Nothing is more discouraging nor more satisfying. Orchestra students and directors must really be dreamers of dreams.

Our Emmett High School orchestra under the direction of a new faculty member, Dee Harris, has appeared in many fine performances this year. At their concert in February Miss Barbara Norton, Miss Idaho of 1950, was guest soloist.

National Honor Society

The Emmett Chapter of the National Honor Society has had seven active members all year. Active is really the word which describes them. Each has an office and specific duties to perform in that office. Delsie Rice is president; Pat Rogers, vice-president; Carol Hankins, secretary; Joan Douglas, treasurer; Beverly Bingham, historian; Wenona Vickery and Carma White, initiation co-chairmen. Miss Charlotte Swatman is adviser.

Ten more students were tapped for membership this spring. New senior members are Helen Howard, Vivian Giles, and Barbara Pope. Juniors are Gary Wilhelm, Shirley McIntire, Janeen Jacobs, Mary Dudley, Lillian Kiuchi, Charles Hower, Barbara Wander. They were selected from the upper one third of their classes scholastically and for their character, leadership and service as well as scholarship.

A dream has come true for the group this year. They were able to raise the amount of the scholarship which they give to the salutatorian of the graduating class from fifty dollars to seventy-five dollars.

Standing—Gary Wilhelm, Joan Douglas, Helen Howard, Shirley McIntire, Janeen Jacobs, Vivian Giles, Mary Dudley, Lillian Kiuchi, Charles Hower. *Seated*—Wenona Vickery, Carma White, Beverly Bingham, Barbara Wander, Carol Hankins, Pat Rogers, Delsie Rice, Barbara Pope.

Discipuli Linguae Latinae

"Discipuli Linguae Latinae," or Students of the Latin Language, initiated new members at the annual banquet in October. Initiates wore traditional Roman slave tunics, and later in a ceremony received togas, the sign of Roman citizenship.

Dreams of a Latin Day and assembly finally became a reality April 16 when skits were presented and members' projects were displayed.

At the right is a picture taken at the initiation banquet.

In Emmett High when you want a job done you get the Pep Club to do it. Pep Club members and their adviser, Mrs. Lucille Broich, have made the group an outstanding service club. SCIENCE
CLUB

Future Teachers of America

Because most of last year's members were graduated in the spring the Future Teachers made a slow start this year. However since January they have had regular and interesting meetings through the efforts of their adviser, Mrs. Delia Swan. They now have fourteen members headed by Arthur Royce, president; Sharon Nichols, vice-president; Betty Weathers, secretary; Vivian Giles, historian and librarian. In the upper picture they are:

Row three—Mrs. Swan, Orah Burr, Bonnie Cherry, Shirley McIntire. *Row two*—Pat Rogers, Joyce Hill, Gerald York, Jay Garrett, Georgia Figart, Betty Weathers. *Row one*—Sharon Nichols, Sonya Atkinson, Ruth Leonard, Vivian Giles.

Science Club

Under the leadership of Stanford Harrison, science instructor, the Science Club, though small, has had an interesting and an educational year. At one meeting photoelectric cells, generators, and other electrical gadgets were demonstrated; at another they prepared various gases. Some of the members went on a field trip to search for rocks and minerals. Chuck Hower is president; Verne Long, vice-president; Barbara Wander, secretary-treasurer. In the lower picture they are Mr. Harrison, Fred Johnson, Barbara Wander, Gary Wilhelm, Verne Long, Gene Cooper. Chuck Hower and Barbara Werle were not present.

Dreams Walk and Talk At Sweetheart Ball

"Did you ever see a dream walking?" Well, we did and so did everyone else who attended the annual Sweetheart Ball given by the senior band December 21.

Thirteen beautiful dreams, all Sweetheart candidates selected by the band, walked and talked and danced, in a colorful setting which carried out the theme of "Deep Purple." At the conclusion of their dance a fanfare announced Janet Campbell Band Sweetheart of 1951, and Harold Pook, band president, presented her with the traditional Sweetheart locket.

There really were more than thirteen dreams dancing. We saw dozens of Emmett High lovelies who couldn't have looked dreamier.

A capacity crowd of townspeople, EHS alums and students congratulated the band and pronounced the Sweetheart Ball of 1951 another outstanding success.

Some of the dreams we saw walking and talking at the Ball.

"The Peaceful Inn"

"The Peaceful Inn," presented by the junior class and directed by Kenneth Brown, brought to our high school stage a new type of mystery drama. The theme was based on the time element. Six guests found their way to a hotel in an isolated spot on the English moors. The hotel was supposed to have burned down the year before. Each of the guests had personal problems which they seemed to be able to solve in this environment. After each had regained what he needed and was able to go back to his life with renewed faith and courage, the hotel disappeared into the mist.

The juniors and Mr. Brown are to be congratulated on a fine production.

The annual staff and the senior class wish to thank those people who by purchasing advertisements helped to make this annual possible. We also wish to express our appreciation to the Messenger Printers, to The Emmett Index, and to Walter Cole of Boise. They gave us valuable pictures and negatives.

Dearest George,

Well, babie you have really been a busy little guy this year, but not so busy that we couldn't have an awful lot of fun together.

Just think of it I have gone with you all through high school and we even got together a few times in grade school, of course the times in grade school we strictly unintentionaly. Remember in the 7th grade on an orchestra hay ride? You thought it would be all right if I layed my head on your little old shoulder. I was in my seventh heaven then, but now I'm in my "14th" heaven.

One thing that will stay with me forever is the first "Sweetheart Ball." Your dad came down after me cause you weren't old enough to drive. I was so afraid, but every thing turned out wonderful. It was especially wonderful after the dance.

("How about") all the times at the Miroman, and the little "stops" on the way home. Every time I go through that certain little town I just have to laugh. "I like it".

I have you to thank for some of the most wonderful times I've ever had. Ones like the senior sneak, the time you & I went to Boise to the "Youth Legislature", some of the times on the bridge, and again, the Miroman.

July 28, 1951 beats all nights. It won't be long now until I will have gone steady for one whole year.

all my love always,

Dear George
